

Brand NEW Art Spectrum® Extra Soft Square Pastels

We are so proud to introduce you to our brand new range of Art Spectrum® Extra Soft Square Pastels! There is a long history behind this new collection.

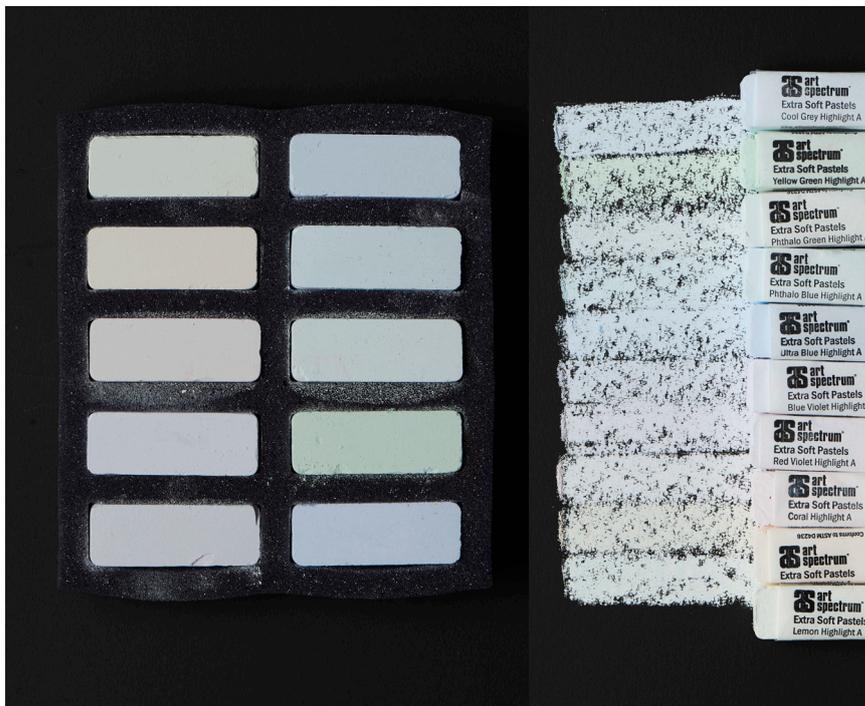

These rich, velvety pastels have been developed over two generations. David Keys Snr, founder of Art Spectrum®, visualised this dream while his son David brought it to life.

We have developed 180 NEW colours for you, of the upmost, professional artist quality.

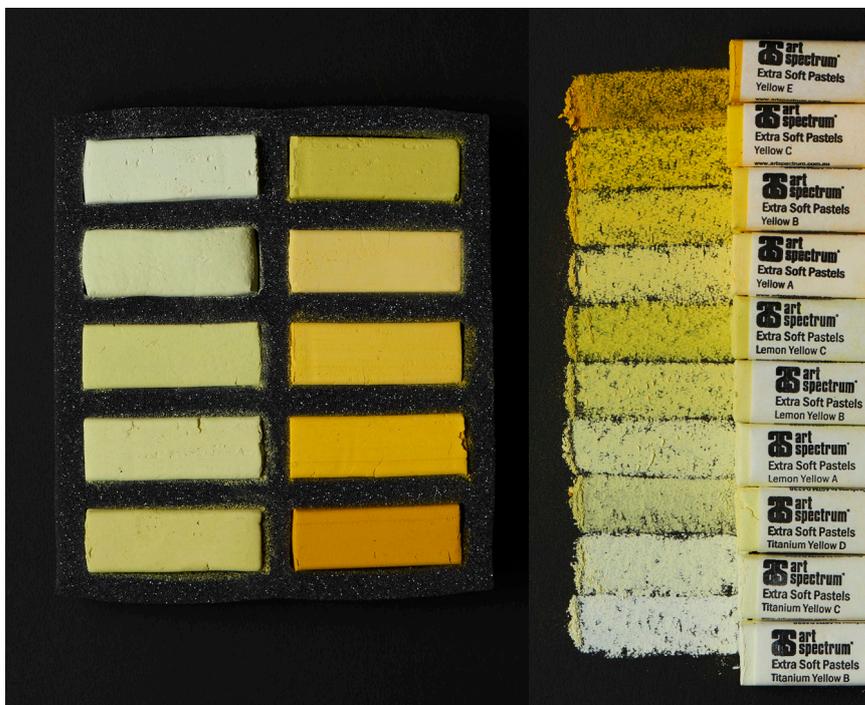

Available in sets of 10, 20 and 30. Individual pastels will be available in 2018.
